

The Frogs and Toads All Sang

From Caldecott Medalist Arnold Lobel (1933-1987) comes a brand-new collection of rhyming stories about frogs and toads. Discovered by his daughter, Adrienne Lobel, *The Frogs and Toads All Sang* has the same warmth, compassion, and humor that is found in his best-loved work. Brimming with sweet silliness, this new book reminds us why Arnold Lobel's characters continue to be so popular years after debut.
