

New Star Science Year 5/P6: Gases (Star Science New Edition)

Flexible unit packs make it easy and affordable to pick and choose the topics you'd like to teach when it suits you. KS2 unit packs include Pupil Books with activities linked to unit objectives that improve children's scientific thinking. They also introduce extension opportunities through Extra Challenge tasks and support investigative work with specific scientific enquiry activities. Teachers Notes provide background topic information, photocopiable task sheets, a means of gauging pupil progress and guidance for using ICT.
