

The Bear With Sticky Paws Goes to School

Lily doesn't want to go to school! She wants to stay at home. Then ding-dong! A little, white, bear is at the door and invites Lily to Bear School! Once they arrive at Bear School nothing is the same as Lily's school. At Bear School Lily and the bear play instruments too loudly and make big messes painting and making snacks! The little, white, bear won't share and he wants everything! Maybe Bear School isn't for Lily after all. Readers will enjoy counting the paintings, instruments and snacks at Bear School. The lovable duo from The Bear with Sticky Paws is back in this boisterous story about imaginative play!
