

Andie Beth

All fifteen year old Andie Beth Nettles wants to do is play basketball and softball, attend the U.S Naval Academy, and fly jets for the Navy. However, her life is turned upside down when her father, is elected President. Follow her story as she adjusts to a new school, friends, and lifestyle. Restrictions, Secret Service agents, and limited freedom all contribute to tensions between her and her parents. Andie Beth Steps, although fiction, can be adapted to parent-teen conferences, workshops, retreats, and Vacation Bible Schools
