

## Daisy and the Doll (Vermont Folklife Center Childrens Book Series)

Boldness and a gift for improvising verse enable eight-year-old Daisy Turner, an African American living in Grafton, Vermont, in the late 19th century, to triumph over an incident of discrimination in her school. Told in Daisys voice, the books themes of identity and self-affirmation offer a powerful lesson to todays youngsters who face similar situations of prejudice and stereotyping in the 21st century classroom.
