

I Am a Tiger (I Am (Av2 Weigl))

Tigers are the biggest cats in the world. Tigers can see in the dark six times better than people. These astounding facts about this fascinating animal can be discovered in the I Am a Tiger book. Tiger is part of the Lets Read collection of media enhanced books designed for children ages 5 to 7. These books were created to inspire beginning readers to become independent readers. Educator and reading expert Dr. Edward Fry created a list of 1,000 instant sight words. These 1,000 sight words must be learned by students in elementary grades. By the Third Grade, students are expected to instantly recognize the first 300 of these words. The Lets Read books combine these 300 sight words with vivid color photography and non-fiction content within a Kindergarten to Second Grade curriculum framework. Tiger is an AV2 media enhanced book that gives readers access to embedded weblinks, audio and video clips, activities, and other features, such as matching word activities, slide shows, and quizzes.
