

Kenny & the Dragon

What do you do when your new best buddy has been designated a scourge by the community and marked for imminent extermination? Just ask Kenny Rabbit. When the simple folks in the sleepy little village of Roundbrook catch wind that there's a dragon running loose in the countryside, they get the wrong idea, and the stage is set for a fight to the death. So it's up to Kenny to give his neighbors front-row seats to one of the best-known battles in history - the legendary showdown between St. George and the dragon - without losing a friend in the fray.
