

New York Yankees: Sport & Action

Learn about the New York Yankees with iMinds insightful knowledge series. New York City is situated on a large natural harbor in the North-eastern part of the United States of America on the Atlantic Coast. It is arguably the centre of America in many regards. It is considered by many to be America's business, cultural and artistic centre. New York City has more of everything compared to any other city in the country: more people, more buildings, more lights and more action. People come from all over the country and all over the world to seek success in New York City. A group that represents the success of the city is the American League baseball team, the New York Yankees. iMinds brings targeted knowledge to your eReading device with short information segments to whet your mental appetite and broaden your mind.
