

## The Heroes of Castle Bretten

The Heroes of Castle Bretten Castle Bretten is under attack - from within. The authority of the ageing Lady Eleonore is being undermined by the plots of her nephew General Ruprecht who is impatient to take her place. Gaspar stopped in his walk, his face set, his right hand fiercely clenched on the hilt of his sword. I know that blackhearted villain who would be master here, were there a mistress no longer, is scheming now to hasten the coming of that day. Ere long, when his plots are ripe, Eleonore, our queen will find herself a helpless chattel in his hands. Into this situation comes Guido, a fifteen year old boy, taken hostage by Ruprecht after a battle with a neighbouring castle. Guido befriends Eleonore and sets out to defeat Ruprecht and restore Eleonore to her rightful place. This story, written a hundred years ago, is an exciting adventure story for boys and girls that deserves to be better known. Classic fiction that our family has enjoyed for years.
