

Multi-Platinum Pro Tools

Learn how a real professional uses Pro Tools to make multi-platinum records with this jam-packed, fast-paced guide. Including over 300 color illustrations, Multi-Platinum Pro Tools takes you inside the minds of one of the top Pro Tools engineers in the business, giving you the skills you need to succeed. Using the interactive DVD (featuring a real Nashville recording session) you watch, listen, learn and edit alongside Multi-Platinum and Gold record engineer Brady Barnett in a real Pro Tools editing session! Essential reading for current and aspiring recording engineers, students, musicians and all those who have some prior knowledge of Pro Tools but wish to become expert users, Multi-Platinum Pro Tools enables you to really enhance your Pro Tools skills without having to spend thousands on special digidesign training.
