

The Parent Playbook

The Parent Playbook takes an innovative approach on parenting teenagers. This is a collection of helpful answers to the down-to-earth problems faced by real parents of real adolescents. The book is written in a simple question/answer format that allows the reader to focus on the common problems in today's society. This is a practical guide to teach families how to discuss and address normal stress-provoking situations. It addresses questions such as how do I talk to my teen about curfew, is my teen texting too much, how to enhance teen confidence, how to support your teens educational success, and much more.
