

Turtles / Tortugas (Underwater World / El Mundo Submarino)

The most dangerous swim of a sea turtles life is its first, a race from egg to ocean that very few survive. Through the use of accessible text presented in both English and standard Latin-American Spanish, readers take an exciting look at the life cycle of the oceans most unique swimmer. A picture glossary helps beginning readers strengthen their vocabulary skills, and vibrant, full-color photographs shows how these animals make a home both under and above the waves.
