

# Of Mice & Men: Philip Allan Literature Guide (Gcse Photocopiable Teacher Resource Packs)

The Of Mice and Men Philip Allan Literature Guide Teacher Resource Pack provides teachers with all the support they need to teach Of Mice and Men in the context of the new GCSE English Literature specifications. This classroom-based resource is for use throughout the GCSE course to help consolidate students knowledge, learning and appreciation of the text and will leave students better prepared for their exams. Covering all aspects of the novel, a whole range of higher- and lower-tier interactive activities, plus extension tasks for homework, can be used before, during and after students have read the text. Once students are familiar with the text, further exam revision activities, tailored to each exam specification, will ensure your students can reach the highest grades. A separate section of activities and advice for students who are studying the novel for the controlled assessment is also included. This fully photocopiable pack will: - save hours of preparation time - provide an invaluable source of thoroughly researched material - create opportunities for a more student-centred learning approach - provide a solution to specialist staff absence

The pack comes with free access to a website where teachers can share teaching ideas and download extra materials, plus a free CD with PDFs of the whole pack to enable printing out the activity sheets as an alternative to photocopying. Other pack titles available in the series are: - Lord of the Flies - To Kill a Mockingbird - A View from the Bridge - An Inspector Calls - Pride and Prejudice - Romeo and Juliet - Anita and Me - The Woman in Black - AQA Anthology: Moon on the Tides (Conflict and Relationships) Each of the packs in the series has been produced in conjunction with a Philip Allan Literature Guide (for GCSE), written for students as a course companion and revision tool.
