

## The Encyclopedia of Nails (Habia City & Guilds)

This all-encompassing guide covers all aspects of working as a nail technician. The Encyclopedia of Nails clearly explains the skills, procedures and practical know-how required to train and work in this exciting industry. The Encyclopedia of Nails provides everything you need to know about nails from manicure and pedicure treatments to the latest health and safety legislation through to day-to-day life in the salon. Suitable for everyone learning how to become a nail technician - whatever your mode of study.
