

This 13 year old equestrian series is still running strong with the publication of its 66th title! Samantha is in love and has finally found the perfect horse. But is her luck about to run out? Samantha and Tors month-long honeymoon in Ireland turns into a much longer stay when Samantha meets Finn, a massive sporthorse that is a descendant of Red Rum, steeplechasing's greatest horse. Samantha is enjoying such success with Finn that she and Tor settle into the idea that they'll be in Ireland for the rest of their lives. Then Tor gets an urgent call to return home to Kentucky. With the Grand National just weeks away, Tor urges Samantha to stay in Ireland but she still finds herself torn between her husband and her beloved horse. If only she didn't have such a nagging feeling about leaving Finn behind. She's sure something horrible is about to happen. Check out the bio and photo of famed horse Red Rum inside! Ages 10 – 14
