

# SEO Copywriting Flow: Creating a Steady Stream of Rankings & Conversions

#1 Amazon Bestseller Shows You How to ...Create powerful paths from Google all the way to your buy button! Surprisingly, most people don't give a second thought to the path prospects take to their sites. All the bits and pieces of the SEO copywriting puzzle float around, unconnected, as if they had nothing to do with one another. In order to get professional-grade results from your efforts, you have to generate a good flow. This ebook takes you step-by-step through every phase. Discover: Strategic places to put keywords and why they work so well. How to connect all the pieces of the puzzle so they fit instead of clashing. How to write so you entice people to buy while satisfying the engines. Real-world examples of how to create good SEO copywriting flow... the right way. In the end, you'll be able to create powerful SEO paths for your customers to follow from Google's search results page all the way to your buy now button. The reviews speak for themselves. Be sure to read them below. Download this Kindle book and start improving your rankings & conversions today!
