

Beyond the Shingle: A Resource for Public Relations and Working with the Media

Now that you've earned a law degree and hung out your shingle, how do you attract and keep clients? *Beyond the Shingle: A Resource for Public Relations and Working with the Media*; is your concise and practical guide to growing your law firm. Whether your practice is solo or you are part of a small or large firm team, you can benefit from this resource. Diane Alverio, the author, brings together her more than 20 years experience as a journalist, public relations pro, and communications consultant to provide an insiders understanding of the media. In *Beyond the Shingle*;, you will discover the same targeted and informative media training that Diane Alverio has given her clients, such as the Yale School of Public Health, the Connecticut Association of Schools, and the Connecticut Bar Association. In this competitive arena, successful lawyering is about marketing. *Beyond the Shingle* gives you in-depth and cost-effective advice on framing your message and that of your clients, utilizing public relations tactics, practicing interview techniques, writing effective news releases, developing a Web site as a fantastic first impression, realizing the importance of branding, networking with online social media contacts, creating an impact for you and your firm, and satisfying and keeping clients. *Beyond the Shingle* is an insightful overview of public relations and marketing approaches that you can use as effective tools and strategies. *Beyond the Shingle* is a field guide to proactively building the business that is your law firm. Think of *Beyond the Shingle* as a toolkit for success.
