

The Calabash Tales by Penny Abrams with illustrations by Mikki

The Calabash Tales is the story of an exciting time in the young life of Greenie the iguana. During his first visit to a nearby beach, Greenie also experiences his first hurricane. With the help of Old Fred, his wise iguana companion, and the other animals in the community, Greenie builds a shelter to weather the storm. Though the hurricane is destructive to the landscape, it also helps Greenie meet new friends and discover the true meaning of family.
