

Roman Fort (Fly on the Wall)

Readers are taken on a journey through ancient Rome with an authentic and appealing cast of characters at work, at home, and at play. The sounds, smells, and textures of everyday Roman life are vividly evoked as young readers march through the rain with Vespian centurions as they escort Lepidina over the mountains and visit a very important queen, witness a gladiator show at an arena, and visit the bathroom with noble Romans, Candidus and Flavinus. Part of the Fly on the Wall non-fiction series based on fly-on-the-wall reporting.
