

The Chills Book

Did you ever hear a song and feel a Chill run through your body? You probably said I got the Chills on that song. Or did you ever feel the Chills up and down your spine when talking to someone ? Are there secrets to this Chills energy we all feel? People generally say, that gave me the Chills and then forget about it until it happens again. It repeats over and over in life at various times and people forget about it. You hear others say the same thing and then forget about it. Ever stop to wonder what is happening? What is it? What about getting cold and saying I got the Chills? Or watching a scary movie and saying that gave me the Chills? Are the Chills a good, happy, affirming, loving, meditative, achieving, balancing, believing, improving, spiritual, and joyful energy? Or a bad and/or cold energy? I was as confused as you probably are and after I increasingly got the chills, not the bad or cold chills, but the good Chills .investigated and after years of work and contemplation, completed this great book. The contents include.....
